

Give to God what belong to God

When Jesus said: give to God what belong to God and give to Caesar what's of Caesar, He did not refer only to those who questioned Him, He refer to everyone, even you. What you have to give to God because it's Gods? first of all you have to give Him his paternity, you have to live in a way that has to become the image and resemblance with the one whom created you, so to keep you with Him.

You with your sins refused the image that our Father in heaven gave you in b. You baptism have trow in the mud, trample on and despised the divine progeny, you can go back and give glory to God, if you want. " The glory of God is a living man" said the Sacred scripture.

The son that have a good behaviour, is humble obedient give honour to his own Father, your testimony of the lived gospel, is only that, give glory to God whom created you. You have to give to Christ what belongs to Christ. Jesus took your sins and erased it on the Cross. risen from the death, lives in the glory of God and is inclined to give all graces that He deserved for you, so that you one day can raise with Him whom Raised from the death. You belong to Christ, and have to give yourself by living the some way He lived , live according the teaching that He gave to the world.

You got a duty towards the church, for it's suffering a great crisis of fidelity to her mission in the world. You can certainly give you help so that it may become again the living church, that the apostle founded. You have to give to the heavenly Mother the joy to have a humble and faithful child. Then there's the duty to do towards society, the family and neighbours that lives around you.

Don't ever forget: You have to give to Caesar what is of Caesar and to God what belongs to God. I can simplify with only one word: you have to be a man, who's practising conscientiously justice, the true one that gives to everyone what is theirs. If you know that He's just, know that, anyone who's behaving according to justice, is borne from Him << 1GV 2,29>>. Your justice, is the product of faith, God find in Angels the perfect justice, in men and women that believe in the risen Christ, through redemption, He's completing the justice that we cannot put in practise in the perfection of angels. God therefore brings justice if we are practicing justice according to our possibility as fragile men and women for the cause of their human nature.

The justice of God in you started from faith and of the assistance of the Holy Spirit. You "Justification" starts when you do not make excuses for your own sins, and when you're starting praise God with sincere confession of sins that you committed. <<Sal.146,7>> If you really want to become a man, just in front of God, you have to start putting down in your conscious three questions: You think that the world had renounce Christ and the principle of the Christian moral? Believe in yourself for who you really are: An irresponsible for loving the illegitimate pleasure of life, renouncing the divine life? You think that Christ is the redeemer who can give, you the Grace so that you can become just?.

Jesus said: justified, test your conscious the truth of your faith. Faith is rejected from man, from woman, when they put their trust in well been and follow the sinful affection of the heart, He only things to care for the image of his person that wants to appear beautiful, sweet, pleasant, desirable and loved, and most of all happy to satisfy his dreams and

desire. Faith is from you rejected when you're claiming the title to freedom and happiness. You want to be yourself, what you think you are in title to be not any in front of others, also in front of heaven, faith reveal to your conscious that you have to put all your trust in God, because you are nothing. Looking at yourself, will realize of your total dependence from God.

Don't neglect the recommendation and suggestions that comes from God. The risen Jesus gave the testimony that even you are a child of God, because like Him and in Him you will risen from the tomb where your body will be put. Here on this earth only your soul, with the confession of the sins will be risen to a divine life, that's life without death, Faith gives you the assurance that if you put all your trust in God, will have the spiritual characteristic of the divine progeny, Jesus promised you. Believe in what He said and, like the poor man of Assisi, even in your heart "Love will be born".

The divine love is also a hope that draws you with trust towards a future towards a future of eternity. The one whom will not succeed to get into perspective the faith in their life on earth, cannot enter with lots of others in the circle of faith and unfaithfulness, of trust and untrust that the devil makes do an malicious place.

Jesus is alive, He is risen from the death, His Father is the Onnipotent God, His goodness has no limits. Jesus wants to rejoice with you the happiness in the kingdom of God. Way are you losing yourself in your pain? Way don't you use the spiritual good that the redemption is offering? Jesus gave you the church, the vocation of a christian life and his gospel. Even you can carry out the design of salvation. that He established since eternity. The life on earth will become for you a path that brings into heaven.
