

He's Risen Alleluia

The attitude that you have to have towards the Word of God, will be giving to you as advise from God Himself, Samuel listen the Lord called him and said: speak Lord you servant is listening (1Sam 3, 10). When the Lord stopped talking, Samuel got up and done what the Lord commanded to do. The prophet David used to pray daily like that: I am your servant, o Lord, give me the light of your word so that I can learn what You proclaim (Salm. 118,125). Even you, every morning, when you get up, ask the Lord to prepare your heart to welcome His will that He will show in the meditation that you are about to do. I do not want to live on bread alone, I want to live of every word that comes from the mouth of God, pray like this with the Lord Jesus. The experience that the Jewish had done in the desert when they escape from Egypt, is useful to understand the motive through which God communicate us His Word by means of the Church. Therefore the word of God is not transmitted personally from the Risen Christ, as it came in the desert. All the people heard His voice, and remained terrorised. The children of Israel once said to Moses: Speak to us yourself and we will listen. But do not have God speak to us or we will die. (Es. 20,19). That day the people realised that they didn't had faith in God, you rather pray as Samuel used to pray your interior attitude be of an humble obedience of what the Lord revealed every time that you enter in the meditation of His Word. They do feed in your heart even a burning desire to know what the Lord wants from you. Jesus is Risen because you will understand that all that He said when He was in the world, it will be transmitted to you from the Church. He is "the first born of many brothers". When you had start the walking of your conversion, the Risen Jesus gave you the charity love, because in that day you were born from God. The confession is not other then is coming back to the Baptism. In the confessional you enter in your Baptism and in you return that spiritual born that initiated in that day. You sins will be forgiven in the Baptism that you received many years ago. In the Risen Jesus your can say in the heart of the poorest of Assisi: Today I stop saying my father Bernardone. I am going to the way of the Church and the way of the world by saying always. "Our Father who are in Heaven. The Charity Love is the only thing that you should desire to have from the Risen Christ, If I have all the mysteries of the most High God, if I have a faith that can move mountains, but do not have the charity of the Risen Christ, I would be nothing" (1Cor. 13, 2). Is strange that we have difficulties to understand the truth of the Risen Mystery. Jesus defeated Satan, he offered God forgiveness to all men and all women, He conquer the world. His Resurrection from the dead is the proof that what He said is the truth. Mary Magdala is a particular symbol in the Church History. The Church is a sinner like Mary Magdala whom was a prostitute. Any of us whom are saying I am not a sinner, is lying. The Pope is repeating over and over again: even I am a sinner like all of you, he says it to the whole world, and show to everyone that he goes to confession like all Christians do. Mary Magdala, the prostitute that announced the world the Resurrection of Christ, represent the Church that continue to announce in the human history. The Lord Jesus resurrected and we can be risen with Him. The fathers of the Church explains the symbolism of the three persons present at the foot of the Cross. Our Lady is the picture of the Church that is born from the rip open heart of the Lord, and from her Mothers heart. St. John represent the first nucleus of the rising Church. Mary Magdala represent the truth of the Church: All those whom have been baptised are sinners like her, and not seldom, more then her. If the Church wouldn't be a sinner, Jesus would not have nothing to redeem. Mary Magdala is the apostle of Resurrection. Since the Resurrection of Jesus is the gift of the divine life to all men that wants to return to be children of God, member of the Church and heir of Heaven, Mary Magdala is the apostle of those whom in the Church are rise in Christ. Therefore in the Church there's those whom are remaining in sin, we all are the same one Church, The Body of Christ.
